Conditions:
Acceptance of this quotation / proposal by the purchasing unit shall constitute an order and is a contract for the purchase of the articles and services described therein on the terms outlined herein. Additional or different terms applicable to a sale may be specified in the body of a Allegion Access Technologies LLC (hereinafter " Company ") document or agreed to in writing by the parties.

- 1 Payment by purchaser to the Company shall be Net 30 days from date of invoice, subject only to contract termination by the Company in the event of an adverse credit decision by the Company's Credit Department. Late payments are subject to a charge equal to 1.5% per month of the amount outstanding or the maximum allowed by law, whichever is less.
- 2 Payment is not contingent upon purchaser's receipt of moneys from owner or any other source.
- 3 The following shall represent events of default by purchaser in the terms of this contract: non-payment in accordance with the terms set out herein, cancellation of this order by purchaser or refusal by purchaser or its agent to accept delivery of goods from the Company.
- 4 In the event of default by purchaser, purchaser agrees to pay the Company the contract price for all work completed by the Company to the date of default or cancellation as well as all of the Company's costs and expenses incurred in enforcing the terms of this contract including, but not limited to a reasonable attorney's fee, collection and court costs.
- 5 Except for purchaser's payment obligations, neither party shall be liable for any failure under this agreement due to acts of nature, earthquake or storm; failure of public utilities or common carriers; or any other causes beyond the reasonable control of the affected party.
- 6 Unless accepted by purchaser, this quotation shall expire ninety days from the date hereof.
- 7 Sales tax, if applicable, is not included in this Quotation.
- 8 The Warranty as outlined in the Quotation will not apply if the products: (1) have been altered, except by the Company; (2) have not been installed, operated, repaired, or maintained in accordance with instructions supplied by the Company; or (3) have been subjected to abnormal physical or electrical stress, misuse, negligence, accident, or catastrophe.
- 9 Any dispute, controversy or claim arising out of or relating to this Agreement or the breach, termination, or invalidity of it shall be submitted to final and binding arbitration as the sole and exclusive remedy for such controversy or dispute, provided, however that the Company may commence action against you in a court of law for infringement of the Company's intellectual property rights or default in any payment obligation. This Contract will be governed in accordance with the laws of the state where the premises at which the Company performs the Work or provides Services is located, without regard to choice of law principles.

This document is a contract. I affirm that I have the authority to sign this contract and this is my acceptance of this Quotation as well as my authorization to proceed with the above stated work at the price of \$ _____, plus applicable sales tax.
