V.E. option – Eliminate the cladding on the shelving units and the panel (this is shown in one of the renderings)

Deduct – < 119,462.00 >

Qualification Notes:

1. All wall panels to install prior to the shelving unit and panel.
2. Butt seams added to accommodate the sheet size where needed.
3. All metal panels to stop at the top of the base.
4. SMS to clad all shelves and panels in our shop (all del, packaging, protection is by others).
5. All black steel to have a wax finish.
6. All wood sub-straights to be flat, plumb, smooth, and flush.
7. Fireplaces must be installed prior to our FM trip.
8. All TV holes must be painted prior to our install.
9. SMS should install the metal panels prior to the Stone hearth install.
10. Wood base will need to be installed prior to panel install.
11. Please confirm either a Ho or Cold steel finish? TBD later with samples.

Please call with any questions,

Thanks

Rich
