Please note that pricing and quantities may adjust for the following considerations.														
A thermostatic system (with a two-way diverter) and two water functions (shower head + handshower on hook) are included for each bathroom with a shower. No ADA bathrooms have been assigned.														
Pricing includes 1 Steam Unit per unit (not per bathroom). Steam unit size is estimated and needs to be verified for each unit prior to purchase.														
Living room bar faucet and sink are not included in any of the rooms as they are an owner upgrade. Bath accessories are estimates and need to be verified.														

Final production order quantities must be confirmed and approved by purchaser.

Tax and freight to be determined on final production order quantities.

Pricing does not include bathtubs/drains, kitchen and laundry sinks/drains/garbage disposal, toilets or standard p-traps (Cal Faucets).
