TOWER A LEVEL B1
SHEAR
REINFORCING
PLAN

S2.A.01.V

-
- Figure 10 is a plan view of a rectangular slab showing reinforcement details. The diagram includes the following labels and specifications:
- STD HOOK**: Located at the top and bottom edges of the slab.
 - 11/2" COVER**: Indicated for the top and bottom edges.
 - LAYER 1 E-W TOP**, **LAYER 1 N-S TOP**, **LAYER 2 E-W TOP**, **LAYER 2 N-S TOP**: Reinforcement layers on the top surface.
 - LAYER 1 E-W BOT**, **LAYER 1 N-S BOT**, **LAYER 2 E-W BOT**, **LAYER 2 N-S BOT**: Reinforcement layers on the bottom surface.
 - VERT REINF**: Vertical reinforcement bars shown as small circles within the slab.
 - #5 @ 12" HORIZ, TYP ALL AROUND**: Horizontal reinforcement bars.
 - #6x 7/8" @ 12", TYP ALL AROUND**: Vertical reinforcement bars.
 - PER PLAN**: A dimension line indicating the overall width of the slab.
 - CONTR**: A dimension line indicating the width of the slab at the bottom edge.
 - LENTON TERMINATOR (OR APPROVED EQUIVALENT), OR STD HOOK AT CONTR OPT**: A detail at the bottom edge of the slab.
 - PLAN E-W DIRECTION**: A label at the bottom of the diagram.
